TO THE WEST! TO THE WEST!

Before making your arrangements to follow the advice of the "thousands who have already gone," it would be well to consider what has been done to make the journey to your "Homes in the West" as pleasant and free from danger as human skill and foresight can accomplish.

By consolidation and construction, a road has been put into operation on the shortest possible line from Nashville, Tenn., to St. Louis, "the future great City of the world." This line, the

ST. LOUIS & SOUTHEASTERN RAILWAY,

has, during the past year, earned an enviable reputation by its smooth track, prompt time, sure connections, and the magnificence of its passenger equipment. Its trains are made up of new and commodious day cars, provided with the celebrated Miller coupler and platform, and the Westinghouse air-brake.

It is possitively the only line running Pullman Palace Drawing-Room Sleepin Cars through without change from Nashville to St. Louis. No other line pretend to offer such advantages, either in distance, time, or equipment. Why, then, journey by circuitous routes? Do not be induced to purchase tickets to St. Louis or the West by any other line, remember that

The "St. Louis & Southeastern"

is the shortest, cheapest, quickest, best and only line under one management from Nashville to St. Louis, and is from 60 to 200 miles the shortest to St. Louis, Kansas City, Omaha, Denver, California, Texas, and all western points. It is also the "Chicago Shortest Line," via Evansville.

You can secure the cheapest rates for yourselves and your movables on application, in person or by letter, to CHARLES MCCABE, Southern Passenger Agent, near College street Depot, Nashville, Tenn., or to the undersigned.

General Ticket Agent, St. Louis.

# The Evening Post.

WILMINGTON, N. C.

Wednesday, September 10th, 1873.

The Washington *Republican* thinks the Raleigh *News* is old-fogyish. That is a mistake. It is one of the most advanced and liberal of its class in the State. Of course, like all other Democratic papers, will "stop over" occasionally, but as a general thing, the *News* is as fair an opponent as we meet in this portion of the land.

Now that the Fall business is opening, we offer our columns to our merchants to make known their wants. It is pretty generally understood that the POST is prompt and reliable in its various news departments, and it is, therefore, read with great attention by a large portion of this community. No better advertising medium can be found in this city, and it is too late in the day to argue the benefits of advertising. We are confident that if any merchant desires to secure a large portion of the city trade, he can only do it by judicious advertising, and by actual experiment he will find that an evening paper is the one to reach the people.

### Patronize Home Industries.

We are a firm believer in patronizing home industry. We see men almost every day who brag of being "true North Carolinians," and then quietly ignore their struggling brethren and send to the "Yankees" for their supplies. This is a suicidal policy, and one which has done more to impoverish the South than the devastations of the war. Patronage should be bestowed upon those who are equally interested in the welfare of the State. As a country, we should use articles of our own manufacture as much as possible. As long as the American people will persist in wearing and using foreign goods, so long will we have a paper currency and low prices for our products. As a State, we should bestow our patronage upon those who help pay the taxes and bear the burdens of the State. By so doing, we lesson our own taxation, and the money, circulating among us, instead of going abroad, helps to supply our currency demands. This is equally true of a city. We should, as far as possible, patronize our own merchants and neighbors, for by that means the little money we possess will be still circulated among us.

We claim to be a better citizen for North Carolina, advocating and living up to this principle, than the representative of the most ancient family here who sends his money out of the State for the articles he needs. We have always conscientiously adhered to this doctrine. The POST is printed on paper made in North Carolina, and is the only paper in this city which patronizes that branch of home industry. It costs us about two dollars a week more than the same material would cost us if purchased in New York, but we believe it pays in the long run. In a private way, we have lived up to the same rule. Almost every article of clothing we have purchased in the past eight years has been purchased in this city, though we visit New York twice every year, and could be better suited in purchases there. But we do this on principle and intend to abide by it. We are of the opinion that if all our citizens would do likewise, we would see better times. A few days ago we saw a bill rendered in this city by a business firm, both of them natives of this State, asking patronage of their friends and neighbors, which was printed in a Northern city, when there are three job offices here, anxious to do work! We can speak of this the more plainly from the fact that at present we are not doing job work, but we feel we could read those gentlemen a lesson that they should learn. If they would succeed they must patronize their neighbors and be in turn patronized. If all their customers would send North and purchase the articles they offer for sale, they would sing a different song. When will people open their eyes to the needs of North Carolina?

The Charlotte *Democrat* says: A meeting of the citizens of Catawba county has been called to be held at Newton on the 11th instant, to promote, by individual subscription, the extention of the Carolina Central Railway from Lincolnton (via Newton) to Hickory Tavern on the Western N. C. Road. We think the extension will be beneficial to the people along the line all the way from Wilmington to Hickory Tavern, and also to the Railroad Company.

The Grangers appear to be going wild over their successes. They propose to build railroads, elevators, do away with commission merchants, and in fact all "middle men," and put their grain in market at wonderfully reduced rates. We hope they will succeed in accomplishing what they most desire—living prices for their products—but we very much fear they are laying out too large a field of operations. These Protective Union Stores and organizations which ignore all others and labor for the private advantage of a certain few, generally play out after a very successful run of a few months or years. Defaulters will appear, and in fact all manner of losses and disasters must occasionally interfere with the profits, and then this wholesale ignoring of capitalists and other men who want to make a living will tell against them. We believe that even merchants have rights that farmers are bound to respect. There is strength in organization, and we are in favor of them in certain cases, but even they become top-heavy at times and suffer disaster. Let us hope our Grangers will attend strictly to their business and not try to run the whole business of the country, railroads, commission merchants, banks and everything.

## EDITORIAL BUDGET.

— The yellow fever is increasing in Shrevesport, La., and they cry disparingly for help.

— While the yellow fever rages in the lower Mississippi, frosts are noted as low South as Illinois.

— Malne has gone Republican as usual. No particular interest was taken in the election, and majorities are less than usual.

— A party of banditts, headed by Alberte Garcia, are committing depredations on the roads near Mier and Guerrero Garcia and his followers were lately stealing cattle in Texas, and being too hotly pursued by United States cavalry, returned to Mexico, where Garcia was appointed a customs officer. Upon losing his office, and fearing to return to Texas to steal cattle, he turned highwayman in Mexico. The *Vox Publico* newspaper, of New Orleans, states that Garcia is an American, and claims that reparation should be demanded for his depredations. The Mexican athorities, however, recently refused to extradite him for the robberies committed in Texas, on the ground that he was a Mexican citizen.

— A special dispatch from Sedalia says the Iowa railroad-train robbers, who have been flitting about in some of the western counties of Missouri, are all together again except McCoy, and that the detectives have information that another bank robbery is being planned by them, to be carried out as soon as McCoy joins the gang. All the banks in that part of the State are being closely watched by special officers, and efforts are constantly being made to capture these desperadoes. The *Republican* has a special from Jefferson City saying this gang are now in Clay county, and are threatening to burn out several parties who have been active in their efforts to arrest them. Governor Woodson is reported to have declared that if the local authorities and citizens do not exhibit a stronger disposition to arrest these outlaws, he will send an armed force after them.

— The schooner Abbie Bradford, at New Bedford, Mass., from Hudson's bay, reports the loss of two New Bedford whalers, and brings a portion of the crew of one of them. The particulars are as follows: "On the 14th of September, 1872, the bark Orray Taft, at anchor near Marble Island, Hudson's bay, parted her cables and went ashore, landing high and dry in such a position that she cannot be got off. On the 19th of October following the bark Ansel Gibbs went ashore at the same place, went to pieces, and is a total wreck. The Orray Taft had no oil, but the Ansel Gibbs had 550 barrels of whale oil and 11,000 pounds of bone, most of which was lost. A small amount was saved by the Abbie Bradford. No men were lost at the time of the wrecks, but both crews were obliged to live on the island until the 2d of August last, and from exposure and lack of proper food were attacked with scurvy. The winter was fearfully cold, being the most severe for a number of years, so that natives of the island died by scores, and the wrecked crews suffered exceedingly. Ten of the crew of the Ansel Gibbs and four of the crew of the Orray Taft died."

The Goldsboro' *Standard* says farmers in that immediate neighborhood complain bitterly of the sad havoc made by the cotton worm. Many fields have been entirely stripped, and nothing but the stalk and matured boll remains to be seen. With corn prospects blighted, and the cotton crop cut off at least one-third, what will become of us?

WATER PONDING. — The ponding of water after a slight rain on the corner of Fifth and Market, also on the sidewalk near the corner of Sixth and Market, and again on the corner of Seventh and Market streets, is a great nuisance to citizens and pedestrians in that vicinity of the city. Can't the city authorities have it attended to? A half dozen loads of ballast would rectify the "whole biz."

FREE LOVE LODGE.—At a recent meeting of the Free Love Lodge, Grand United Order of Odd Fellows, the following committee was appointed to set aside a Lodge of the same order at Wilson on Wednesday next: J. F. Cutler, P. N. G.; Antonio Maultsby, N. G.; R. J. Jones, V. G.; Washington Howe, Secretary; R. Robinson, R. S. to N. G. The committee will leave here Wednesday morning and arrive in Wilson in time to attend to their mission and return on the same day.

**Magistrates' Courts.**

Before ANTHONY HOWE, J. P.

Two cross suits yesterday occupied the 'Squire's time. One was Celia Osborn against —— Vicks, and one by —— Vicks against Celia. Each defendant paid the costs and gave bond in the sum of $50 to keep the peace, and order reigns. This makes six cases adjudicated by 'Squire Howe.

'SQUIRE MOORE disposed of the following:

John Willings and Wm. Stevenson had a little set-to and sought the office of W. H. Moore, J. P., where justice is dispensed. After a careful investigation they were required to ante up the cost between them and went on their way rejoicing.

'SQUIRE CASSIDY was engaged all the morning in the trial of an "Abandonment" case under the acts of 1868-9. D. J. Devane for plaintiff, John London for detendant. We never could see the propriety of putting a man in jail for thirty days because he was unable to support his wife, but that is the law.

WILMINGTON CITY DIRCETORY.—Messrs. S. G. Hall and E. S. Warrock are making arrangements for publishing a full and complete Directory of the City. Instead of the "History of Wilmington from its commencement," it is the intention of the publishers to present a comprehensive and concise article on the commerce and business interests of the City; also, a description of the Churches, Schools, Public Buildings Hotels, Railroads and Steamboat lines, &c. &c.

This Directory will be issued by the Fair in November, will be printed in

There has not been a time when a correct Directory of the City was more needed than at present, and we have no doubt but that our business men will promptly embrace the opportunity of liberally patronizing a work which will tend so much to their interest. †

## THE TOWN CRIER.

— Coolish.

— Gold is down to 111¼.

— Winter clothes are welcome.

— Theatrical season almost here.

— Northern apples—very fine—are in market.

— Dealers will do well to advertise in the POST.

— The very latest news can always be found in the POST.

— Dr. S. S. Satchwell will speak at the Court House to-night.

— Read the corrections in the Wilmington and Weldon Railroad advertisement.

— F. W. Kerchner sells vast quantities of heavy groceries and supplies. Read his advertisements.

— The Senior is the happy possessor of the most magnificent boquet of the season, and is proud therefor.

— From all indications, the October term of the Superior Court in this county will be entirely consumed with the trial of criminal cases.

MUSIC.—We have received from Messrs. Lee & Walker, music publishers, Philadelphia, a quantity of fine music, both vocal and instrumental, among which are the following: "Little Hands Forever Still," by Charles E. Pratt; "Robin, Pretty Robin," by M. Loesch; "Vacant Heart," by C. F. Shattuck; "Happy Hours," by H. Millard; "Match Galop," by E. Mack; "Music of the Waves," by John Werum; "Cuckoo Galop," by J. Philip Sousa; "Come Here Waltz," by Frank Green, and many others. Also, the advance sheets of "The Sabbath," a new book of Church music, edited by C. Ernest, which bids fair to be a great favorite all over the country. The typography of "The Sabbath" is excellent, and the arrangement and clear type will strike every musician at once as being designed and prepared by practical musicians. Every chorister in this city, who sees this work, will want it and probably order supplies at once. Messrs. Lee & Walker are also publishers of "The Amatuer," the best publication for the price—only one dollar a year—in America. Send for sample copies.

MR. JOHN R. SNEEDEN, who lives about a mile and a half from this city, had a lively race this morning. Yesterday Mr. Sneeden lost a mule from Picket's Point, in Federal Point Township. This morning early, a young white man stopped at Mr. Sneeden's house and asked for breakfast. To the questions propounded to him, the hungry man gave such unsatisfactory answers that Mr. Sneeden at length charged him with being the party who stole the mule yesterday. The fellow immediately broke off and ran, Mr. Sneeden and a colored boy after him. The help of a dog was called in, but the quarry knew a game worth two of that, and by clapping his hands urged the hound in pursuit of imaginary game. At length the hunted man tried to escape by crossing Jumping run, when he got in the mire and surrendered. He admitted that he was the individual who took the mule, but denied any felonious intent. He had, he said, a constitutional aversion to walking, and merely mounted the animal for a ride. He gave his name as Augustus Reeves, and his residence as Columbus county. He said the Sheriff of Columbus had driven him from home for being too fond of riding horseflesh; also that he was wanted at the Lunatic Asylum, but his dislike to that institution was only equal to his fondness for horseback exercise.

Starting with Reeves, Mr. Sneeden made his way to the nearest Magistrate's office. On the outskirts of the city, Reeves again started for a run, and by a system of artful dodging kept his distance for some time. At length the pursuers and pursued reached the river at the Fibre Works, when all other avenues of escape being cut off, the pursued boldly took water. He would inevitably have been drowned, had not Mr. Sneeden taken a boat and rescued the unlucky wretch. He was then brought before 'Squire Harriss, who, having but little faith in the kleptomania defence, committed him to jail in default of two hundred dollars bail.

A Liverpool paper speaks of "Artemus Ward Beecher, the great American humorist."

Manufacturing is not a poor-paying business, although it takes ten mills to make one cent.

A Western editor recently rode sixty miles on a cow-catcher, and failed to catch the cow, after all.

A Detroit boy who was run over on the streets refused to give his name because he was afraid it would get into the newspapers.

A clergyman gets off the following: "Boston proposes a convention of bald men to be held next month, probably to revive the old wig party."

## STATE ITEMS.

The First Baptist Church of Raleigh has a sing class of over forty members, which form the regular choir of the church.

Dr. Frank Mallory, an old and much respected citizen of the town of Littleton, Halifax county, died suddenly of heart disease on Sunday morning at 11 o'clock.

Henry M. Miller, Esq., for some time past an efficient Deputy U. S. Marshal, has been appointed chief clerk to Col. S. T. Carrow, Superintendent of the Federal buildings to be erected in Raleigh.

The Lincoln *Progress* says: A few days since the Rev. Henry Asbury united in the bonds of matrimony his 302d couple. The worthy old gentleman lives in and is an honor to Lincoln county. May he when taken from this world be united with his many friends in a happier one above.

The Concord *Sun* says that the value of lands, &c., in the little county of Cabarrus, for the present year, reaches the handsome figure of $2,331,615. The amount of money now in the hands of the county treasurer is $5,400, and the county is entirely free from debt and is in an exceedingly prosperous condition."

What's the matter in Goldsboro'? Just hear the *Standard* man: Where's the fool killer? His presence is badly needed in Goldsboro'. Hope he will put in an appearance shortly and stop the howlings (some call it singing,) of our midnight *larks!* Canine howlings and feline mewlings are horrible, but to be forced to listen to a dozen or more *bipeds* at an attempt at song, is more than human nature ought to be expected to endure. The POST ventures he guess that the editor ain't much of a singer, and may be the *boys* have been serenading his lady love and he don't like it.

The *Sentinel* thinks that from present indications, the gift concert, which is to take place during the approaching State Fair, will be one of the grandest features of the occasion. We know dozens of folks who have set their hearts on drawing the $2,000 prize. A day or so ago, two fellows had quite a dispute in front of our office as to which would be the lucky winner. Any one to have heard the conversation would have supposed the matter lay between these two individuals. On yesterday one of the managers handed us the following list of articles to be distributed at the close of the concert: Cooking stoves, hoop-skirts, candies, soaps, hogs, cows, trees, vines, shoes, hose, hoes, ploughs, horses, sheep, ducks, chickens, dry goods, clocks, guano, sewing machines, lager beer, fancy Linberger cheese, gloves, best tea, violins, music boxes, baby carriages, wines, pipes, baby jumpers, barrels of flour, hats, bonnets, silver ice pitchers, castors, corsets, calico, Drake's plantation bitters, candy, wheelbarrows, saddles, guns, pistols, 5 cider presses, teaspoons, iron safes, bee-hives, cow-bells, perfumery and fancy articles of every description. Let everybody go to the concert and win for himself, his wife, daughter or sweetheart a valuable prize.

The *State Agricultural Journal* of last Saturday says: "We are gratified to learn that the consecration of Rev. Theodore B. Lyman, D.D., Assistant Bishop elect of the Diocese of North Carolina, will take place in this city in the latter part of November. The *Churchman* states that the consecrating Bishop will be Right Rev. Thos. Atkinson, D.D., L.L.D., the venerable Bishop of this Diocese, and one of the oldest on the roll of American Bishops, having been consecrated over twenty years ago. It is understood that Dr. Lyman is very glad to have the consecrating service take place among the people whom he comes to serve, and in the city which will probably be chosen as his place of residence, at such times as his arduous duties will allow him the repose of home. Bishop Atkinson was clearly in stronger health and more active vigor at the late Diocese Convention in Fayetteville than at several preceeding meetings of that body, but the growth of the church in this State, and the very widely scattered parishes over its immense territorial jurisdiction, have for some time precluded the possibility even of a single visit to each parish in the course of a year, and the election of the Assistant Bishop was demanded by the urgent necessities of church. We observe the unfeigned regret of the people of San Francisco in parting from Dr. Lyman, who has endeared himself to them by his deep interest in the active work of the church, and the extension of her educational and ecclesiastical interests. His election was cordially approved by the beloved divine with whom he is appointed to labor, and we are sure that his coming will be good for his church and for North Carolina."

## LATEST BY TELEGRAPH,

### MASSACHUSETTS.

WORCESTER, September 10.

The Republican State Convention meets at 11 A. M. to-morrow. All day long incoming trains have been crowded with delegates and prominent politicians from all parts of the State.

To-night the city will be full of strangers.

The State Central Committee will meet early and will probably be in session nearly all night, hearing and deciding upon claims of contesting delegations. The report will be presented to the Convention this morning. The canvass just closing has been the most exciting that has ever occurred in Massachusetts.

Gen. Butler arrived here this afternoon and is stopping at the Bay State House.

The Butler faction have engaged Mechanic's Hall, the largest in the city, for this evening, but contrary to general expectation no meeting was held, and the hall has not been opened.

The Convention will organize by the choice of ex-Gov. Bullock, Chairman; Jno. D. B. Cogswell, Chairman of Committee on Credentials, and ex-Governor Claflin, Chairman Committee on Resolutions.

The names of Geo. F. Hoar and Chas. Hale will be on the committee.

### NEW YORK.

NEW YORK, September 10.

An examination 3,200 pass-books of the Hoboken Savings Bank shows a deficit of $113,000. There remain to be balanced thirteen hundred books. The defalcation of Klenner, who recently absconded, will probably reach $150,000. The Bank owes its depositors $1,300,000, and will be short about $63,000.

The enormous Graphic balloon has been visited by thousands. If the weather is favorable, the balloon will be launched at six o'clock this evening. The æronauts expect to land in Europe on the morning of the second day after departure. *Later.*—The ascension has been postponed. Its inflation was commenced at three o'clock this morning, and when about a quarter filled it became unmanageable, when a hole six feet long was cut in it by Major Donaldson. The safety-valve is said to be out of fix.

### CUBA.

HAVANA, Sept. 10.

A fire occurred on Saturday night by which the Plaza Vaper was destroyed; it was a very disastrous one. The total loss is estimated in all from three to eight million dollars. Insurance only amounts to $524,000, nearly all in English companies. Notices have been promptly given that all insurances must be paid by the 13th instant.

Owing to the rapidity with which the flames spread very little property was saved. In less than three hours from the time the fire broke out an entire square was a mass of ruins. Upwards of 2,500 people who occupied the buildings are homeless, and nearly all lost everything. Great distress prevails among them, and numerous subscriptions have been started for their relief. A large amount has already been raised.

### CALIFORNIA.

SAN FRANCISCO, September 10.

The Bulletin gives the following summary of the composition of the next Legislature: Republicans, 44; Independents, 36; Democrats, 40. Total, 120. Necessary to elect United States Senator, 61. Many of the Republicans recently elected are anti-Railroad and in favor of Booth for Senator. Assured that the latter will be supported by part of the hold-over Senators, his friends claim confidently that his strength from the start will be much greater than can possibly be combined for any other candidate.

### LOUISIANA.

MONROE, September 10.

Judge T. S. Crawford and District Attorney Arthur H. Harris were assassinated in Franklin parish while on their way to court. It is thought that personal and not political differences led to the assassination. Crawford is a radical and Harris a democrat. Both leave families. The murderers are unknown.

### MARYLAND.

BALTIMORE, Sept. 10.

The Holliday street Theatre, St. Nicholas hotel and a four story building, used as a high school, were burned at four o'clock this morning. The guests at the St. Nicholas and many actors escaped with little more than their wardrobes.

it claims to be first class. It has a good and constantly increasing circulation, and is read by almost every business man in the city. Politically the POST is

*UNSWERVINGLY REPUBLICAN.*

Its editor having been a consistent member of that party since 1855, through its vicisitudes and triumphs, he claims to speak advisedly when advocating its principles. He is not, however an "extremist," and accords to others what he claims for himself, the right of free thought and of free speech.

THE ADVERTISING RATES of the POST, like its subscription price, are at liberal and at living prices, as an examination of them will show, and it bespeaks a share of public patronage.

**THE EVENING POST**

is closely identified with the local welfare of the Cape Fear region, and the believers in progress, whether

*EDUCATIONAL,*
*AGRICULTURAL,*
*MECHANICAL, or*
*COMMERCIAL,*

will find an enthusiastic ally in THE POST.

**THE POST**

is opposed to monopolies, but in favor of internal improvements, and a firm believer in the patronage and support of home enterprises and institutions.

*AS A FAMILY PAPER,*

The TIMES will have no superior; it will be free from all appeals to vulgar and impure tastes, and may be safely admitted to every domestic circle.

*AS A REPUBLICAN JOURNAL,*

The TIMES will be devoted, as in the past, to an intelligent and firm support of the Republican Party. Its course in reference to the Tammany Ring, at a time when all the other daily papers in New York obstructed and discouraged its efforts, attests its sincerity in the cause of Reform. The TIMES stood alone in demanding Reform from 1869 to the close of 1871, and there is no sincere and honest proposal for Reform, in any branch of the Government, which will not be heartily supported by the TIMES. But it will not conspire in assisting ambitious politicians or demagogues to reach power under false pretenses. It will not encourage defection from the Republican Party, which is still the party of progress, security and national prosperity.

It will sustain, with all the force and influence at its command, the principles and policy which have rendered that party so justly famous in our history. It will advocate those measures by which the honor, the peace, and the prosperity of the nation can be best secured and promoted, and will constantly study the wants of the people rather than the wishes of the politicians.

*THE NEW YORK SEMI-WEEKLY TIMES*

Is published every Tuesday and Friday, and contains all the agricultural and literary matter of the Weekly edition, and a full and careful compilation of editorial and news features of the Daily.

Terms of the Semi-Weekly TIMES: One copy, one year, $3; two copies, one year, $5; ten copies, one year, $25—and one extra copy free.

Subscripttons to either of our editions received for a less length of time than one year at yearly rate.

These prices are invariable. Remit in drafts on New York or Post-office Money Orders, if possible, and where neither of these can be procured, send the money in a registered letter. All Post-masters are obliged to register letters when requested to do so, and the system is an absolute protection against losses by mail. Address

We especially call the attention to the following testimonials of the Paint:

C. P. Knight, Esq.—Dear Sir: I have used Bradley's Patent Enamel Paint on my dwelling last Spring, and am much pleased with it, and it looks as well now as when first painted, and consider it a good Paint. Yours, truly,
Creswell P. O., Hartford county, Md., Feb. 6th, 1873. A. H. STRASBAUGH.

THE PLAINS, FAUQUIER CO., VA., Feb. 6th, 1873.

Mr. C. P. Knight—Sir: The Paint came safely to hand as ordered—two kegs, five gallons each, and three buckets, one gallon each. As practice was slack, I did the job myself. Two weeks, (not constant work,) completed the house two coats. The last coat I applied thick, and it is now generally conceded that for enamel-like hardness, and body, and harmony of colors, there is not a handsomer job in the place. I saved sixty-five dollars by the operation, which is an item just now with Southern people. It should be generally adopted in this State. Any country lad can apply it. I have never dabbled in such stock as testimonials, but I feel so forcibly the great adaptability of your "Enamel Paint" to the wants of our people, in excellency of material, in beauty of color, and in the fact of its being "ready mixed" that I give you free permission, (if it is desirable to you,) to make what use you think proper of this letter.
Very respectfully and truly,
S. McGILL, M. D.

TO THE PUBLIC—It affords me much pleasure to state that in July, 1871, Front Street Theatre was painted inside and out with "Bradley's Patent Enamel Paint," for which C. P. Knight, No. 93 West Lombard Street, is agent, and, to testify to its superiority over any and all other paints for similar uses. In no private dwelling can paint possibly be subjected to the very severe test it undergoes at this establishment, where, during our daily cleaning, soap and soda are constantly applied to it, and yet it appears as sound and fresh as when put on. Of the numerous advantages it possesses over other paints, I will only mention its being mixed and ready for use in quantities to suit purchasers, its quickly drying properties, which saves much time in the execution of work where paint is needed, and its very perceptible tenacity, which imparts beauty and durability to the objects on which it is used. As such I most earnestly recommend it to the merchants and tradesmen of our city, believing it will give them greater satisfaction than they can possibly anticipate.
WM. E. SINN,

BALTIMORE, April 25, 1873. Front Street Theatre.

CHAMBERSBURG, December 10th, 1872.

Mr. C. P. Knight—Dear Sir:—The paints we received from you have been applied to several of our own buildings and to those of our friends, and have given entire satisfaction in covering qualities, in gloss, and in adaptability to all kinds of surface of material and we cheerfully recommend it, especially to that class of consumers who have to depend upon unknown parties, or painters to mix and furnish materials, wherein we have found the most deception.
Yours, truly,
JACOB STOUFFER & SON.

FROM HON. JOHN WETHERED.

Mr. C. P. Knight:—At the recommendation of a friend, I was induced to apply your patent "Bradley's" paint to my house. I have pleasure in stating that it has proved highly satisfactory, covering more surface than you promised, is more economical, carries better gloss than ordinary paint, and is freer from disagreeable odor.
Yours, Respectfully,
JOHN WETHERED.

BALTIMORE, December 27th, 1871.

C. P. Knight, Esq., Agent for Bradley's Patent Enamel Paint—Dear Sir:—The paint we purchased from you we will cheefully endorse as the best of any kind we have ever used; its covering qualities is everything desired, drying promptly and with a hard gloss which must, we think, resist the action of all kinds of weather. This is our experience, and we can recommend it with certainty, and intend to use it on all occasions where we desire a good job of work.
Very Respectfully,
EMART & QUARTLEY, 270 W. Baltimore St.,
House, Sign and Frescoe Painters.

PLEASANTVILLE, HARTFORD CO., MD.

Mr. C. P. Knight—Dear Sir:—I am very happy to inform you that your "Patent Enamel Paint" has given entire satisfaction. I prefer it to any paint I have ever seen used, and recommend it for durability and beauty as paramount to any other.
Very Respetfully,
R. DICKEY, M. D.

NOTICES OF THE PRESS.

The ever-increasing circulation of this excellent monthly, proves its continued adaptation to popular desires and needs.—Indeed, when we think into how many homes it penetrates every month, we must consider it as one of the educators as well as entertainers of the public mind, for its vast popularity has been won by no appeal to stupid prejudices or depraved tastes.—*Boston Globe.*

The character which this Magazine possesses for variety, enterprise, artistic wealth, and literary culture that has kept pace with, if it has not led the times, should cause its conductors to regard it with justifiable complacency. It also entitles them to a great claim upon the public gratitude. The Magazine has done good and not evil all the days of its life.—*Brooklyn Eagle.*
